Once you confirm/complete your registrations, you can start your pre-required training courses: the APN Sales Training 2.0 Ethernet and Fibre Channel 101 and the Brocade One and then continue with your IP and/or SAN training course.

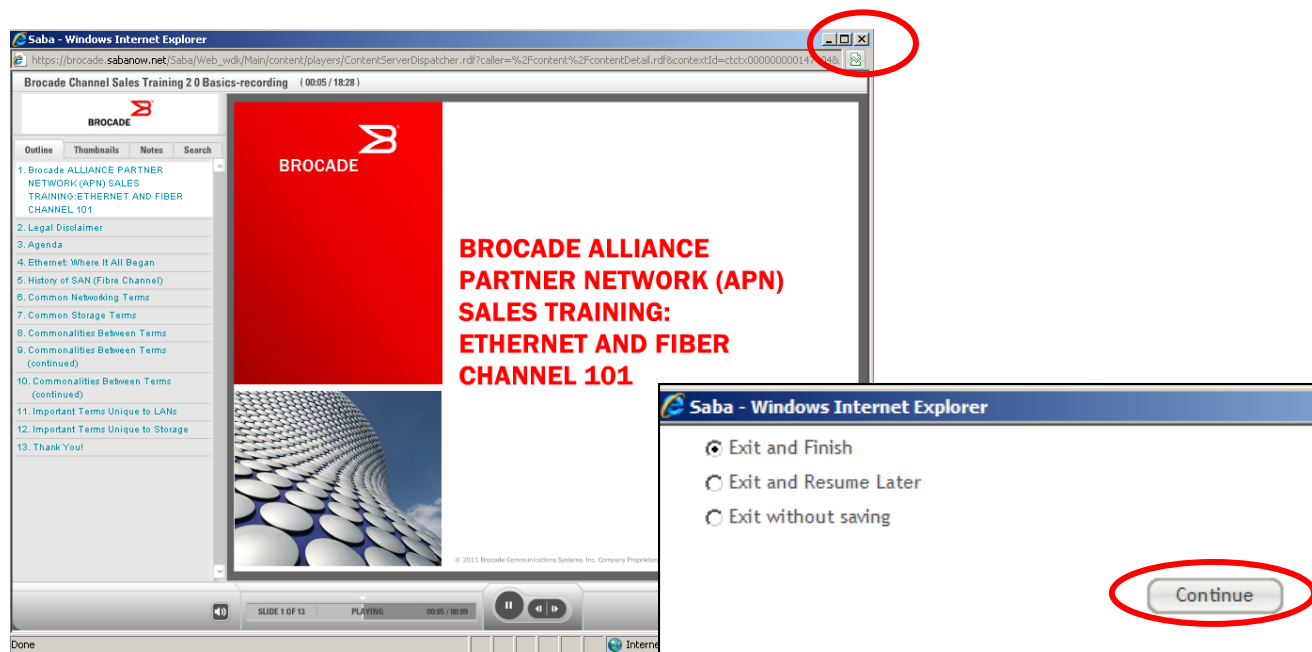

Click on **Go to In-Progress Learning**.

In your **My In-Progress Learning**, open the course and **Launch** the training.

Make sure to set up your system to **“Always allow pop-ups from this site”** and go over the course materials. If you close the presentation window (X), a pop up window will open and give you the following options:

- Exit and Finish
- Exit and Resume Later
- Exit without saving

If you have finished the training materials, click **Exit and Finish** and **Continue**.

This part of the course will be marked **Successful**. Proceed to **Launch** the Quiz portion. You will have unlimited attempts to achieve 100% correct answers to complete the training.
