

Spectralink Product Discontinuation Bulletin

Discontinuation of Extended Battery Pack for 6020/8020/8030 Handsets

PDB #	PDB 2016-525
Price List Section	Wi-Fi & 900 MHz Products
Affected Region	Global
Overview	The Extended Li-Ion Battery Pack for 6020/8020/8030 Wireless Telephones (BPL200) will no longer be available effective September 30, 2016. The Ultra-Extended Li-Ion Battery Pack (BPL300) will continue to be available and will serve as a substitute for the discontinued Extended Li-Ion Battery Pack.
Product Discontinuation Details	Extended Li-Ion Battery Pack for 6020/8020/8030 Wireless Telephones (BPL200) will not be available as of September 30, 2016.
Replacement Products	<p>The Ultra-Extended Li-Ion Battery Pack (BPL300) will continue to be available and will serve as a substitute for the discontinued Extended Li-Ion Battery Pack. The Ultra-Extended Battery Pack provides additional talk/standby time and has the same form-factor as the discontinued Battery Pack, so there is no impact on charging or handset carrying accessories.</p> <p>For more information, contact your Spectralink Account Representative.</p>
Recommended Partner Actions	<p>Information contained in this Partner Notice should be considered Spectralink Proprietary and Confidential information prior to the “Public Customer Discontinue Date” listed in this bulletin.</p> <p>Spectralink Partners should use this material to prepare discontinuation materials that can be disclosed to customers at the “Public Customer Discontinue Date” listed in this Bulletin</p> <p>Partners with customers that have standardized on this product should review current and future needs for this product to determine whether additional purchases are required before the Last Shipment Date takes effect.</p> <p>Content herein is not intended to supersede existing customer contractual commitments</p>

FAQs

Q1: What is the Customer Discontinuation date?

A1: The Customer Discontinue Date is the timeframe Spectralink has specified this action should be made public to your customers or resellers. Please consider the information contained in this product discontinuation bulletin proprietary until the Customer Discontinuation Date is exceeded.

Q1: What is the last order Date?

A1: The Last Order Date is the final date the customers need to place a valid PO in order to receive shipments. Once this date has passed, the Discontinued Product will no longer be orderable.

Q2: What is the last ship date?

Q2: This is the final date Spectralink can schedule shipment of the product. Typically, this date is no more than 60 days after the last buy date.

Q3: What is the Service Discontinue Date?

A3: This is the date the product will no longer be supported by Spectralink Professional Services.

Q4: Whom should I contact for more details?

A4: Contact your Spectralink Sales Representative
