

POLYCOM PROMOTION

Polycom® Trade-In Program for Microsoft Lync Phone Edition (LPE) Phones

Replace Lync Phone Edition (LPE) devices and experience the most advanced Polycom® HD Voice™ technology—ever

Polycom Trio

Polycom Trio is the conference phone reimagined. The world's best-selling conference phone for Skype for Business will get a software update in 2H 2018 that introduces a new native Teams experience. Trio can be flexibly deployed anywhere, from huddle rooms to boardrooms.

Polycom VVX Business Media Phones

From executive-class color touch screen phones to basic 2-line button operated models—and everything in between, Polycom VVX series phones deliver the crystal-clear sound of Polycom® HD Voice™ and Polycom Acoustic Fence technology that blocks out loud background office noise.

You can hear the Polycom difference

7 out of every 10 phones sold with Microsoft are from Polycom. Why? Polycom's legendary sound and quality. And with newer advances in noise blocking technology, Polycom keeps your conversations even more focused—on Skype for Business and Microsoft Teams.

To learn more about the trade-in program, email TeamMicrosoft@polycom.com or contact your Polycom reseller

Trade up today

Did you know that mainstream support for the software running Microsoft Lync Phone Edition (LPE) phones ended in April 2018? Are you ready to make the move to Microsoft Teams? Is your IT department upgrading to TLS 1.2 to improve security? Make sure your phones are ready. Now is the perfect time to upgrade your desktop and conference phones with the latest telephony technology from Polycom. For a limited time, we are offering fantastic savings when you trade in your older LPE phones to purchase new Polycom phones and conference phones. Don't miss out on these fantastic savings.

Big savings from Polycom through December 2018
